The London Times, speaking for the rabel handholders and blockade runners. Office Hours, V A. M. to IS M. and 2 to S P. M. highly approves the President's veto, and ## Patients can be accommodated with Board the Democratic papers quote the fact with at the Qure.

The Copperhead papers are getting dissted with military candidates for political offices. They argue that the election f military heroes to places of power and nor is an insult to the South. The poor tender-hearted chivalry must not be in sulted by any such action. All this is done to prepare the public mind for oppo-

sition to General Grant for President. The Copperheads were delighted with military candidates as long as they could the LEADER in those cities, and are agents make anything out of them, and supportor all the newspapers in the United States ed McClellan, Slocum, Morgan, &c., with enthusiasm; but they discovered that this was too much like putting new wine in old bottles. The movement was a failure and they have given up military men.

The proprietors of the Cincinnati Enquirer yesterday purchased the Wesleyan Female College, and will take posse and fit up the building for an office im mediately.

Brother.

[From the Vicksburg Herald, 7th.] The people of this city held a meeting last night at the Court House, to indorse President Johnson. Federals and Conferates met on the constitutional plat form and under the old flag. The gallant Merwin, with his armless sleeve, presided, wich the stars and stripes floa im, and our eloquent young friend, Tom

were sustained in speeches by Hon Walker Brooke and others. We cannot fail to refer to the fact that the venerable Col. Joseph E. Davis, the elder the platform, and under the flag of the Union, and declared that if the principles was killed by lightning on Thursday night been adopted by the North in 1860, there would have been no seces

Johnson's Speech in England. On Thursday afternoon, the placards of who died from wounds and other causes the London papers blazoned in huge let-ters, "Singular speech by President John son," referring, of course, to his effort of February 22. One paper announced, "Probable renewal of the civil war." The

general expression among intelligent peo-ple here is one of surprise that the Chief Suspension Bridge in the event of a Fenian raid.

"COLORADO" JEWETT has issued an appeal for a "no party" convention to meet in Philadelphia in December next to nominate a noteworthy that all the English newspapers that abused us during the war and ought the battles of rebeldom are now bricking themselves hoarse in praise of

In the trans-Atlantic German papers we find many anecdotes of the late Abraham Lincoln which are not known in this country. The following, which lately appeared in the Breslau Margeneniung, will bear repetition: A lieutenant, whom pear repetition: A lieutenant, whom lebts compelled to leave his fatherland The Legislature was in session yesterday; and service, succeeded in being admitted to the late President Lincoln, and, by reason of his commendable and winn portment and intelligent appearan settlement of the Agricultural College ques-tion. In a cavalry regiment. He was so enrap tured with his success, that he deemed a duty to inform the President that he he ter Adams, published in the dispatches on Germany. "Oh, never mind that," said the third page, gives an official history of Old Abe, "your will not find that to be an

obstacle to your advancement." A company has been organized in Troy,
New York, to work a peat bed about
Manufacturers of the Parisian Yoke Shirt, three miles from Saratoga. The bed em-braces about seven hundred acres, and is supposed to contain nearly haf a million cords of peat. Its use for running loco motives has been tested.
